To: All School DavkaWriter Customers
From: Davka Sales Dept.

We are pleased to inform you of the release of **DavkaWriter 7**. The newest version of our popular Hebrew/English word processor features more than 25 new features, including a modern program interface with Multi-Toolbar and Object Toolbox, new additions to the Text Library including Rashi on Chumash and Torah and Haftarah readings, and many others.

Please note that all earlier versions of DavkaWriter have been discontinued. This includes additional/site licenses for all previous versions.

We ask that you note the new pricing structure listed below. We believe that the many enhancements in DavkaWriter 7 will make upgrading to this new version worthwhile.

Upgrade cost per license from version 6 to 7	\$10 per site
Upgrade cost per license from version 5 to 7	\$15 per site
Upgrade cost per license from version 4 to 7	\$20 per site
Upgrade cost per license from earlier versions	\$25 per site

New site licenses for DavkaWriter 7 will be \$35 per license for each of the first 30, and \$30 for each additional license. A 50-user/building license is available for \$1500.

As always, bulk pricing is available for larger school purchases.

We will be happy to answer any questions you may have about this new pricing and this new version.
